Salient Features of ECIntel's STUDY PLANNER

- *ECIntel's STUDY PLANNER* is the result of exhaustive research and is successfully being used in leading schools, colleges and learning centers throughout the world.
- You don't need to sit down and read it from cover to cover; it's not that sort of book. You can just pick it up any time and whatever page you flip to, you will learn something new that is interesting and fun that you are bound to remember to help you.
- In addition to the concepts and explanations, *ECIntel's STUDY PLANNER* contains compelling action steps to help you activate and act upon what you have just learned.
- It is ideal for anyone who wants to create greater success on their exams, and it is an especially powerful tool for people who feel that they are bad test-takers or who have had one or more devastating failure experiences with exams.
- You are only a few decisions away from reaching the high scores you've always dreamed of. You'll find out how to focus your inner mind and set it on auto-pilot for academic achievement in my new book. Picture yourself easily and confidently taking exams and earning High Scores every time. Be the envy of your classmates!
- Starting from the premise that successful students are not necessarily any more brilliant than their less successful peers, but have simply mastered the art of efficient learning, *ECIntel's STUDY PLANNER* introduces high school and college students to an innovative approach that can help them achieve top grades while discovering the joy of true learning.
- *ECIntel's STUDY PLANNER* offers students everything you need to organize your academic year right at your fingertips! In addition to recording your class schedule, you can keep track of daily assignments, homework notes, activities and events, plus, you will find study success tips.
- Many hard working, intelligent people fail exams through lack of confidence or poor technique. *ECIntel's STUDY PLANNER* explains what examiners want and provides easy to learn techniques that will boost your confidence and guarantee success.

What Students have to say about this Super Winning Study Planner

I have got 97% in my 12th (PU). It may not look like a big score. But for me it is a VERY BIG score, because my score in 10th was just 57.5%. A million thanks to the Study Planner brought out by the EC Intel, without which I couldn't have made such a dramatic change in my exam results. I recommend this Study Planner to all those who dream to get a good score in their exams.

- Ratnesh Jain, Bangalore

I'm currently a student at Delhi University, and before reading this book I was "very poor" when it came to trying to get a good grade, but now things have changed and I could maintain a constant level of above 93% in all exams.

- Romesh Srivasthva, Delhi University

Till 9th standard exams, I could not cross the magic level of 90% irrespective my hard work. But in 10th exams I could score 97.5%. Thanks to the Study Planner and all those who have made this fantastic book. Every Student aiming for a good score in the exams must buy this book!

- Mukesh Kumar, St Joseph's Bangalore.

The Study Planner Charts in this book are immediately useful, making studying efficient and organised. This book will help you achieve your goals, whether you are aiming to pass the next exam, or get a straight A+

- Siddharth Rajan, Kochi

I suggest this book to anyone who is serious about studying and wants to earn A+. If you follow the book's suggestions I can't see how anyone could not get great grades!

- N Chithra, Mysore

Whether you are taking exams or not, the book will boost your motivation and confidence to reach your goal. This book is a must for any student.

- Vivekanand, Bangalore

An easy to use guide that will give anyone a sure advantage in any examination.

- Pushpapraj Singh, Bangalore

This is an excellent program for success in examinations and in life!

- Aashish, Chennai

EC Intel introduces a variety of techniques which build upon each other to turn subconscious negative traits into opportunities for success.

- Bhoumik, Vizag

The useful, step-by-step approach should help to remove those obstacles to efficient, effective and above all enjoyable study.

- Ushakiran, Hyderabad

Experts Speak

If exams are standing between you and your dreams, this book is a lifesaver!

- Principal, St. Mary's School

Is there an exam or academic obstacle standing between you and your dream? You are only moments away from the help you need to become a person who can learn new things with ease and joy, perform brilliantly under exam conditions, and sky-rocket yourself to the level of academic success you desire!

- Prof. Bernstein, Educationist and Author of "Study Skills for University Students"

This book delivers on its title 100 Percent. I wish I'd had a copy when I was in college- I would have had a better grade *and* a better social life!

- Ryan Johns, Anna University, Chennai

Everybody can use some help with their studying no matter who you are. Study Planner is so full of information I don't know where to begin. This book covers every possible aspect of your student/studying career.

- Dr. Vinay Kulkarni, Mumbai

EC Intel Study Planner" is an awesome book! EC Intel has discovered a proactive approach to releasing your inner genius abilities, and when people follow their advice, they reap the rewards of extraordinary abilities. It works for exams, projects.

- Shikar Agarwal, Sr Lecturer, Hyderabad

Who Needs **ECIntel's STUDY PLANNER?**

You can benefit from **ECIntel's STUDY PLANNER** if any of the following describes you:

- You've gone to your teachers or professors for help or advice, but you're still not doing as well as you'd like.
- *You've had one or more devastating failure experiences.*
- You know in your heart you are capable of achieving much better grades than you are receiving.
- *You long to have the career of your dreams, but an exam or formal schooling is standing in your way.*
- You are feeling overwhelmed with work, family, or other responsibilities.
- *You know you're destined for greatness; you just need help getting back on track.*
- You are studying hard and trying your level best; yet not getting expected marks in exams.
- You did well, or even great in the past, but now you seem to have 'lost your touch'.
- *You have little or no confidence in your academic abilities, but you have a burning desire to succeed.*
- You have had moderate success in lower classes, and want to move up to achieving dramatically greater success.
- *You know you need to study but you are having trouble finding the time or following through long term.*

ECIntel's STUDY PLANNER Is NOT for You If:

- You're not serious about academic achievement.
- You're not ready to claim your academic success.
- You'd prefer to make excuses about your failures.
- You'd prefer to blame your destiny and 'the system'.
